# TWO WAYS TO BOOK YOUR TRIAL

## BOOK YOUR WEDDING DATE FIRST

---

This option is best if you'd like to know your wedding date is secured with Blossom but you'd still like to try out your look before the wedding.

We recommend scheduling 1 to 2 months before your date to ensure you've received your veil and any hair extensions or accessories. A booking link will be emailed to you.

## BOOK YOUR TRIAL FIRST

---

This option is best if you'd like to try out our services before securing your wedding date with us. Trial appointment must be at least 6 months prior to the wedding.

(Your wedding date isn't secured without a signed contract and retainer. You will be given first right of refusal if your wedding date is requested before your trial appointment.)

## WANT MORE? ENGAGEMENT PHOTOS & REHEARSAL

If you need a little extra help getting ready for all of the events leading up to your big day, you can schedule photo or party sessions. This service includes your hair styled down and a traditional makeup application to enhance your natural beauty.

Services are provided at our Eureka Springs Studio and take 1-2 hours depending on desired looks. These services may not be used in place of a trial appointment or wedding portrait session.

Book as many sessions as needed to cover all your pre-wedding events including engagement photos, bachelorette parties, rehearsal dinner, and more.

Give us all the details so we can confirm our availability. Formal service selections can be made once our availability is confirmed.

02

## MAKE IT OFFICIAL

A signed contract and 50% retainer is required to reserve your date. Final payment is due 3 weeks before the wedding. To keep things simple, we accept only one payment per party and recommend personal payment apps for your party to reimburse you if necessary.
