

WEDDING HAIR AND MAKEUP
JOIN OUR TEAM

BLOSSOM BEAUTY

WELCOME DARLING

Thank you for your interest in joining our team.

I created Blossom Beauty's team to better serve our guests and to give a home to beauty artists who love doing wedding hair and makeup but don't love or want to run a wedding hair and makeup business of their own.

You'll never have to worry about marketing, creating contracts, or coordinating a team schedule. I handle the business side so you can focus on your creativity and the work you love.

Blossom is a place where we can work together as a team to elevate the way beauty artists are perceived. A place to express ourselves creatively. And a place to achieve abundance and practice kindness.

VISION

Our vision at Blossom Beauty is to serve the wedding community by providing the highest quality beauty experience as the top rated, most trusted and kind wedding hair and makeup team in the Northwest Arkansas corridor.

MISSION

Our mission is to elevate the beauty experience for our guests and hair and makeup artists in Northwest Arkansas. Through stress-free and clear communication, our Exclusive Beauty Guides, luxurious amenities, and our skilled team, we're able to create abundant lives for ourselves and a beautiful start to their marriage.

WHO WE ARE

At Blossom Beauty we value luxurious experiences and time well spent - that's why we offer every guest our Signature Experience, no matter who they are or how they identify. We specialize in soft, romantic wedding looks that emphasize our guest's natural beauty and last all night. We love a love story and believe that being a someone's chosen beauty artist is truly an honor.

SIGNATURE EXPERIENCE

Everyone receives guided care and prep advice from the moment they book, ensuring a fulfilling experience from the start. By the time the wedding day arrives, they'll be glowing with confidence knowing we've handled all the details. We thrive with kindness, communication, and synergy, making the beauty planning process a stress-free and fun experience that nourishes confidence beyond happily ever after.
